In Memoriam

We, the Annual Staff, respectfully present this edition of the Wak - Igh - An in memoriam to Curtis Rogers Arnold. "Curt," as he was known to his friends, was killed in an automobile accident the summer of his junior year, 1960. He was an outstanding student at Wakelon participating in the band, being on the football team, being a member of the National Honor Society, and also being chosen as Alternate to Boys' State. Curt possessed a personality that made him many friends and a devotion that made each friendship a lasting one.

As this school year comes to an end we know that the heart of each and every senior will be saddened because Curtis is not here to share their last days of companion-ship.

One to grow on ...

Good health is our business. We take a deep personal pride in watching the growth and development of youngsters raised on Pine State's good, health-giving milk and dairy foods. We feel great satisfaction in the knowledge that we contribute to the growth of the community as we do to the growth of its citizens.

We're proud of the fact that we're growing, too . . . that more and more families are asking for Pine State's pure, delicious milk, ice cream and other fine dairy foods.
